Fiori Launchpad: An Overview

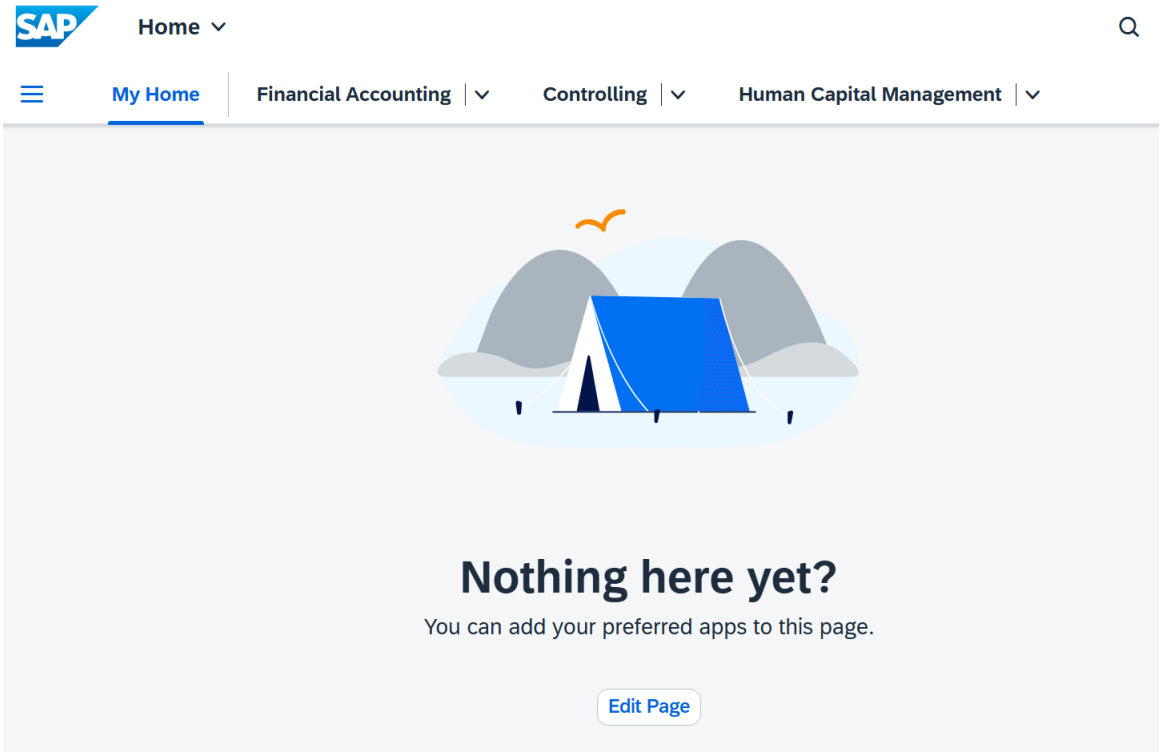

- **SAP Fiori Launchpad:**
  - The **modern** user interface
  - A standardized, role-based entry point for applications
  - It is based on tiles that represent apps
  - It is designed for an intuituve, user friendly experience (UX)
  - The standard user interface in new SAP systems, like **SAP S/4HANA**

Fiori Launchpad: An overview

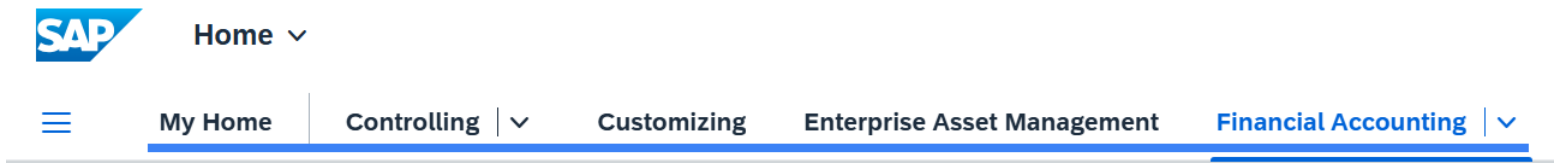

- The Fiori Launchpad includes a section called „My Home“.
- This page is usaually empty when you log in for the first time.
- Users can customize it to suit their needs.
- Frequently used tiles or applications can be added.
- This creates a personalized work interface tailored to your tasks.
